# A Report on the Expert Session on "Enhancing Employability: Skill Development and Career Opportunities" by the Vice President of AU Small Finance Bank

Vidyabharti Trust College of Master in Computer Application (MCA, MBA & Integrated M.Sc. (IT)), Umrakh, - MBA organized an expert session on **"Enhancing Employability: Skill Development and Career Opportunities"** on 19th January, 2026 at the Diploma Seminar Hall.

The session was conducted for MBA students with the objective of enhancing their understanding of employability skills and preparing them for the challenges of the contemporary job market. The programme was efficiently coordinated by **Dr. Hiral Tailor and Prof. Hardik Patel,** ensuring smooth planning and execution of the event.

The expert session was delivered by **Mr. Bhagwati Jha, Vice President at AU Small Finance Bank,** who shared valuable industry insights drawn from his extensive experience in the banking and financial services sector. He explained that employability is not limited to obtaining a job but also involves sustaining and progressing in one's professional career. The expert highlighted the growing importance of skills.

During the session, Mr. Jha discussed the evolving employment landscape and emphasized that employers today seek a balanced mix of **hard skills, soft skills, and future-ready competencies**. He elaborated on the importance of communication skills, teamwork, adaptability, critical thinking, creativity, emotional intelligence, and digital literacy, supported by relevant industry examples.

The expert also guided students on effective skill development strategies, including continuous learning through certifications and online courses, participation in internships and live projects, and active engagement in workshops, seminars, and professional networking. He highlighted emerging career opportunities in areas such as **Artificial Intelligence, Data Science, Cybersecurity, FinTech, and green jobs,** along with the growing scope of entrepreneurship and freelancing. Special reference was made to the Skill India Mission, emphasizing the role of institutions and government initiatives in enhancing employability.

The session concluded with an interactive question-and-answer segment, where students actively participated and clarified their career-related queries. The management and faculty members expressed their sincere gratitude to Mr. Bhagwati Jha for his valuable guidance. Overall, the session was highly informative and motivating, encouraging students to adopt a focused, adaptable, and skill-oriented approach toward their professional careers.
