Message From the Leaders

Secretary

Shri. Kiritbhai N. Patel
Secretary
Vidyabharti Trust

Welcome to VBTMCA-a proud institution under the aegis of Vidyabharti Trust.

At VBTMCA, we believe that education is more than the transmission of knowledge - it is the foundation upon which we build character, cultivate innovation, and inspire leadership. In a world driven by rapid technological advances and shifting global land scapes, we remain committed to our timeless values while embracing the future with open arms.

Our vision is clear, to empower students not only with technical skills but with the confidence, ethics, and resilience required to thrive in the modern world. Through our industry-relevant curriculum, experienced faculty, and value-based learning environment, we strive to develop professionals who are as compassionate as they are competent.

We take immense pride in the growth of our institution and in the accomplishments of our students, who continue to make their mark in various sectors across the country and beyond.

Together, let us shape a future defined by purpose, excellence, and responsibility.

Warm regards,
Shri. Kiritbhal N. Patel
Secretary
Vidyabharti Trust

Principal

Dr. Dhaval Jadhav
Principal
Vidyabharti Trust

Welcome to VBTMCA-Where Knowledge Inspires the Future

It is my pleasure to welcome you to Vidya Bharti Trust College of MCA (VBTMCA)-an institution dedicated to academic excellence, innovation, and holistic development.

At VBTMCA, we believe that education is more than just acquiring a degree - it is about nurturing the skills, values, and mindset required to thrive in a rapidly evolving world. With a strong foundation in MBA, MCA, and integrated M.Sc. (IT) programs, our focus is on creating industry-ready professionals who are confident, capable, and committed to making a difference.

We offer a learning environment that blends modern technology, experienced faculty, real-world exposure, and value-added programs-all designed to help students grow intellectually and personally. Our collaborative ties with industry and academia provide students with the right platform to explore, experiment, and excel. Whether you are a student, parent, industry partner, or visitor - invite you to explore what makes VBTMCA a trusted name in quality education.
Let us work together to build a future driven by knowledge, innovation, and integrity.

Warm regards,
Dr.Dhaval Jadhav
Principal
VBTMCA

MCA Department Head

Dr. Yatin Patel
HOD-MCA Department

Welcome to the Department of Master of Computer Applications (MCA) at VBTMCA where innovation meets impact, and future tech leaders are made.

At VBTMCA, our MCA program is more than just a postgraduate course - it's a transformational journey that equips students with deep technical knowledge, real-world problem-solving skills, and a mindset for lifelong learning.

We strive to bridge the gap between academia and industry by fostering critical thinking, hands-on experience, and a culture of creativity and collaboration. With cutting-edge labs, expert faculty, and a curriculum aligned with GTU, we prepare our students to thrive in the ever-evolving world of technology.

Join us to build not just software, but solutions.

Let's code, innovate, and shape the future - together.

Warm regards,
Dr. Yatin Patel
HOD, MCA Department, VBTMCA

Integrated M.Sc.(IT) Department Head

Prof. Kajal Patel
HOD - Integrated M.Sc. (IT)

Greetings to the Integrated M.Sc. (IT) Department, VBTMCA - where young minds transform into future-ready technology professionals.

Our five-year curriculum combines core knowledge with cutting-edge IT expertise to equip students for a world powered by technology. We emphasize practical learning, innovation, and ethical computing to develop confident, competent, and creative problem-solvers.

Here at VBTMCA, we don't just educate students to be career - ready we ready them for influence.

explore what makes VBTMCA a trusted name in quality education.
Let us work together to build a future driven by knowledge, innovation, and integrity.

Warm regards,
Prof. Kajal Patel
HOD, Integrated M.Sc. (IT) Department, VBTMCA

Training & Placement Officer

Dr. Ankit Patel
T & P Officer

As the Training & Placement Officer for the MCA programs at VBTMCA, I feel privileged to guide students as they prepare for their professional journey. I believe each student has unique strengths, aspirations, and abilities, and my role is to help them recognize and develop these qualities with confidence. Today's fast-moving IT world demands more than academic excellence-it requires adaptability, communication skills, creativity, and a strong sense of self-belief. Through consistent mentoring, skill-based training, and exposure to real industry environments, we aim to build these essential qualities in our learners.

Our department is committed to creating an environment where students feel supported, prepared, and inspired to pursue meaningful careers. With strong industry collaborations, structured placement activities, and a student-first approach, we ensure that every learner receives the right guidance and opportunities to grow. My goal is not only to help students secure good placements but to shape them into responsible, confident, and future-ready professionals who can contribute positively to the technology sector.

Warm regards,
Dr. Ankit Patel
T & P Officer, MCA Department, VBTMCA

Training & Placement Coordinator

Prof.Khushboo Trivedi
T&P Coordinator

As the Training & Placement Coordinator for the MCA programs at VBTMCA, I am committed to guiding our students with genuine care and practical support as they prepare for their professional journey. I believe that every student has unique strengths, and my role is to help them discover and refine those abilities with confidence. Through interactive training, soft-skill development, and continuous industry exposure, we aim to nurture students who are not only technically strong but also adaptable and self-assured. My focus is to ensure each learner feels supported, motivated, and ready to step into the IT world with clarity and purpose.

Warm regards,
Prof.Khushboo Trivedi
T & P Coordinator
VBTMCA

About the Institute

“VBTMCA – Nurturing Talent, Empowering Futures”

Rooted in a legacy of over four decades of educational excellence, **VidyaBharti Trust College of MCA (VBTMCA)** stands as a beacon of knowledge, innovation, and opportunity. Established under the esteemed **Vidyabharti Trust** — founded in 1980 near Bardoli in the Surat district — VBTMCA carries forward a proud tradition of academic rigor and societal commitment

Affiliated with Gujarat Technological University (GTU), approved by AICTE, and recognized under Section 2(f) of the UGC Act, VBTMCA reflects a strong foundation of academic credibility and institutional excellence.

As a premier Institution in South Gujarat, VBTMCA is dedicated to delivering world-class education and advanced professional training in the fields of MCA, MBA, and Integrated M.Sc.(IT). Our programs are thoughtfully crafted to bridge theoretical knowledge with practical applications, empowering students to become future-ready professionals in technology, business, and emerging interdisciplinary domains.

At VBTMCA, we are committed to fostering a vibrant learning environment built on the pillars of innovation, discipline, and integrity. Our distinguished faculty, modern infrastructure, and strong emphasis on research and industry collaboration provide students with a holistic educational experience.
Here, education transcends the classroom — it is about transforming aspirations into achievements.

At VBTMCA, we don't just prepare students for careers; we empower them to shape the future.

Vision

"To be a reputed institute in the areas of Computer Application and Management for sustainable development and enrichment of human life."
Mission

1. To create environment & generate opportunity for students to bring out their inherent talents for all round development.

2. To provide relevant and contemporary knowledge and skills for career building across sectors in the society.

3. To enhance employability and provide adequate opportunities for gaintul employment.

4. To educate students to be successful, ethical, effective problem-solvers and life-long learners who will contribute positively to the society.

MCA Program Overview

The Department of Master of Computer Applications (MCA) at VBTMCA is a prestigious program affiliated with Gujarat Technological University (GTU) and approved by the All India Council for Technical Education (AICTE). The department is dedicated to meeting the ever-evolving demands of the IT industry. by offering a curriculum that blends technical proficiency with problem-solving, analytical thinking, and professional ethics.

Our two-year, full-time MCA program offers a comprehensive education in areas such as software development, data structures, networking, web technologies, machine learning, and more, as outlined by GTU's curriculum. Emphasis is placed on hands-on learning through project work, industrial training, coding labs, and research initiatives ensuring our students are well-prepared for dynamic careers in the software and IT sectors.

Important Highlights.

1. Curriculum Aligned with Industry
2. Strong Industry Connect
3. Focus on Overall Personality Development
4. Expert Faculty Team
5. Innovation & Tech-Driven Entrepreneurship
6. Robust Career Support

Core Technical Competencies

Our curriculum is designed to equip students with the latest technological advancements and practical expertise, making them valuable assets to any organization. Students develop a strong foundation in :

- Object-Oriented Programming using Java and Python
- Open-Source Web Development (MERN Full - Stack Development)
- Database Management Systems
- .net technology

- Mobile Application
- Artificial Intelligence and Machine Learning

At VBTMCA, MCA is more than a degree it's your gateway to becoming a future-ready IT professional equipped with strong technical. problem-solving and leadership skills.

Integrated M.Sc.(IT) Program Overview

VBTMCA's Integrated Master of Science in Information Technology (M.Sc. IT) is a visionary, five-year full-time course that marries the intensity of postgraduate study with the versatility of an undergraduate degree all within one integrated framework. Affiliated to Gujarat Technological University (GTU), the course is designed to produce capable IT professionals who can excel in both academic and industry environments.

The curriculum provides a harmonious mix of theory and practice in learning programming, networking, web development, data analytics, cyber security, and emerging computing technologies. The department fosters critical thinking. problem-solving and project-oriented learning from the first year itself.

Important Highlights

1. FIVE-Year Integrated Program
2. Industry-Relevant Curriculum: Crafted according to GTU standards. keeping up with technology trends.
3. Hands-On Learning: Live projects. lab based instructions, and coding contests
4. Expert Faculty: A group of experienced professionals with academic and industry background.
5. Career-Focused Training: Support for internships, technical certifications, and placements.
6. Beyond Academics: Periodic seminars, workshops, and tech fests to foster confidence and creativity.

Skill Development and Industry Exposure

Few Placement Drive Glimpse 2024-25

Our Students Saying it all!

Alumni Testimonials

I would like to thank the training and placement team at my college for all their help in getting me an internship at Casepoint Pvt Ltd. Their guidance and preparation have been really helpful in getting me ready for the corporate world.They have not only helped me with the building of a good resume and with interview preparation but also gave insight into the industry. Because of them, I am more confident about my future career.

Thank You.
Brijesh Shah

My name is Sanika Nagarkar, a student of VBTMCA. I would like to express my gratitude to our college faculty members and placement cell for their continuous support and guidance, which helped me to secure a placement at Qodors Technologies.

Thank you.
Sanika Nagarkar

My name is Abdullah Malek, a tudent of VBTMCA. The training and placement activities were truly beneficial and weil-structured. The workshops helped me develop better communication, improve my personality, and prepare for interviews with confidence. The continuous guidance from the T&P team made the entire process smoother and more focused. Their support helped me secure my placement at Leocan.

Thank You.
Abdullah Malek

My name is Palak Agrawal, Student of VBTMCA. The training and placement program was very helpful and well organized. The sessions greatly improved our confidence and communication skills. The T&P team was supportive and always guided us whenever needed. This helps me to secure placement in CASEPOINT

Thank you.
Palak Agrawal

The college provides a respectable environment for learning. Faculty members are cooperative. Campus Infrastructure is good and is maintained properly. Due to the large number of companies that visit. placements are quite good. All things considered, training and placements offer an excellent beginning to the career. This helps me secure placenent in NJ Finlogic

Thank You.
Viral Patel

Recruiters Testimonials

casepoint

My experience during the placement drive was awesome and informative. The students showed excellent coordinate active participation, and strong overall perform-ance throughout the process. Their enthusiam and preparedness reflected well on the ins-titution's acalemic environment.

The facilitation and support provided by the college staff were also commendable.

The overall arrangement was smooth, well-organize-and ensured a seamless recruitment expeienc.It was truly an encouraging engagement from both students and faculty.

Casepoint Pvt. Ltd. Surat

{qodors}

The interaction with the students was truly enriching. With the excellent support from VBTMCA College, we are pleased that the Campus Placement drive was well managed by the place-ment team and concluded successfully.

We look forward to maintaining a synergistic relationship in the future and hiring many more talented students from your esteemed institution.

Thank you.
