Report on An industrial visit to Odoo India Pvt. Ltd

An industrial visit to **Odoo India Pvt. Ltd**. located in Gandhinagar was organized on 24th February 2026 to provide students with practical exposure to the corporate working environment. The visit proved to be highly successful and informative for all the participants. A total of 54 students took part in the visit, accompanied by three faculty members: Dr. Ankit Patel, Prof. Rignesh Tambakuwala, and, Prof. Dhruvi Prajapati who guided and supervised the students throughout the program.

During the visit, students were introduced to the organizational structure and operations of the company. They gained valuable insights into different departments and understood how various teams collaborate to ensure smooth functioning of business processes. The company representatives explained how modern enterprise software solutions are developed and implemented to meet business needs.

The visit also included an engaging technical session, where industry professionals interacted with the students and shared their experiences about working in the corporate and technology sector. Through this session, students learned about real-world industry practices, workplace culture, and the practical application of theoretical knowledge gained in the classroom.
