# Report on TCS iON Authorised Skill Centre Recognition

Vidyabharti Trust College of Master in Computer Application, Umrakh, is proud to announce that the institution received recognition as a TCS iON Authorised Skill Centre on **12 August 2026**. As part of this initiative, a TCS iON Authorised Skill Centre has been established at the institute to facilitate industry-oriented skill development and provide students with access to relevant learning and professional development opportunities.

The establishment of the Skill Centre marks an important step towards strengthening industry-academia collaboration and enhancing skill-based learning opportunities for students. The initiative is aimed at promoting industry-aligned skill development by providing students with opportunities to acquire relevant knowledge, technical skills, and professional competencies.

Through the TCS iON platform and associated learning initiatives, students can gain exposure to industry-oriented learning resources and develop skills that complement their academic education. The Skill Centre will provide a platform for students to enhance their technical capabilities, improve their employability, and prepare themselves for evolving career opportunities in the IT and related sectors.

The recognition reflects the institution's commitment to bridging the gap between classroom learning and industry requirements. It supports the college's efforts to provide practical, industry-relevant, and outcome-oriented education and to equip students with the knowledge and skills required to succeed in the professional environment.

The TCS iON Authorised Skill Centre is expected to contribute to the overall professional development of students by providing opportunities for skill enhancement, industry exposure, and continuous learning. It will further strengthen the institution's commitment to preparing students for emerging career opportunities and the changing demands of the technology-driven professional world.

## Conclusion

The establishment of the TCS iON Authorised Skill Centre at Vidyabharti Trust College of Master in Computer Application, Umrakh, is a significant achievement for the institution. It reinforces the college's commitment to skill development, industry exposure, employability enhancement, and industry-academia collaboration. The Skill Centre will provide students with valuable opportunities to develop relevant competencies and prepare themselves for a future full of professional possibilities.
