Report on Sports Week 2026: Promoting Athleticism and Team Spirit

Vidyabharti Trust College of Master in Computer Application (MCA & MBA), Umrakh, successfully organized its annual **Sports Week 2026 from January 30, 2026, to February 5, 2026**. The event brought together students from various departments to showcase their sportsmanship, competitive spirit, and enthusiasm for physical activities.

Event Overview

The Sports Week was designed to provide a platform for students to actively engage in physical activities, fostering teamwork, discipline, leadership, and healthy competition. The event featured a diverse range of indoor and outdoor games, catering to different interests and skill sets.

Leadership and Supervision

All the activities during Sports Week 2026 were conducted under the guidance and supervision of the Main Sports Coordinators**, Prof. Parth Naik** and **Prof. Soham Patel**, whose leadership ensured the smooth execution and grand success of the entire event.

Execution and Coordination

The week-long celebration was meticulously planned and executed by a dedicated team of faculty coordinators. To ensure smooth participation and effective management, separate registration links were provided for each sporting event.
