A Report on World Environment Day 2025 Celebration on 5th June 2025 of Vidyabharti Trust College of Master in Computer Application, Umrakh

NSS Unit Name/College Name: Vidyabharti Trust College of Master of Computer Application, Umrakh

Event Name : World Environment Day 2025

Faculty Name: Prof. Priyank Patel

Event Date, Time and Location: 5th June, 2025 Vidyabharti campus

Brief Description of the Event:

World Environment Day 2025 was observed with great reverence and enthusiasm on 5th June 2025 at Vidyabharti Trust Campus, Umrakh. This year's celebration was uniquely marked as a *living tribute* to the victims of the tragic Pahalgam incident. As a symbol of remembrance and hope, **26 trees were planted** on the campus, forming what has been named **"Grove 26"**.

The event witnessed the gracious presence of all campus Principals, Heads of Departments (HODs), teaching and non-teaching staff, peons, and trustee members of the Vidyabharti Trust. The collective participation of the entire institutional community emphasized the importance of unity, sustainability, and resilience.

Before the plantation, a brief address was given acknowledging the Pahalgam victims and reaffirming the Trust's commitment to nurturing both nature and human values. Each plant symbolized a life lost but not forgotten — a promise to uphold peace, life, and environmental responsibility.

The plantation drive not only served as an environmental initiative but also stood as a reminder of the power of collective goodwill and remembrance. The “Grove 26” will remain a green tribute on campus, inspiring future generations to care for both people and the planet.
