A Report on a Photo Competition and Reel Competition

As part of the ongoing Vikas Saptah celebrations, Vidyabharti Trust College organized a series of competitions to honor the 23 years of dedicated public service by Hon'ble PM Shri Narendra Modi. On 19th October 2024, the Photo Competition and Reel Competition were held, showcasing the talents and creativity of the students. The competitions aimed to encourage students to express their appreciation for the visionary leadership and contributions of the Prime Minister through visual arts and creative content.

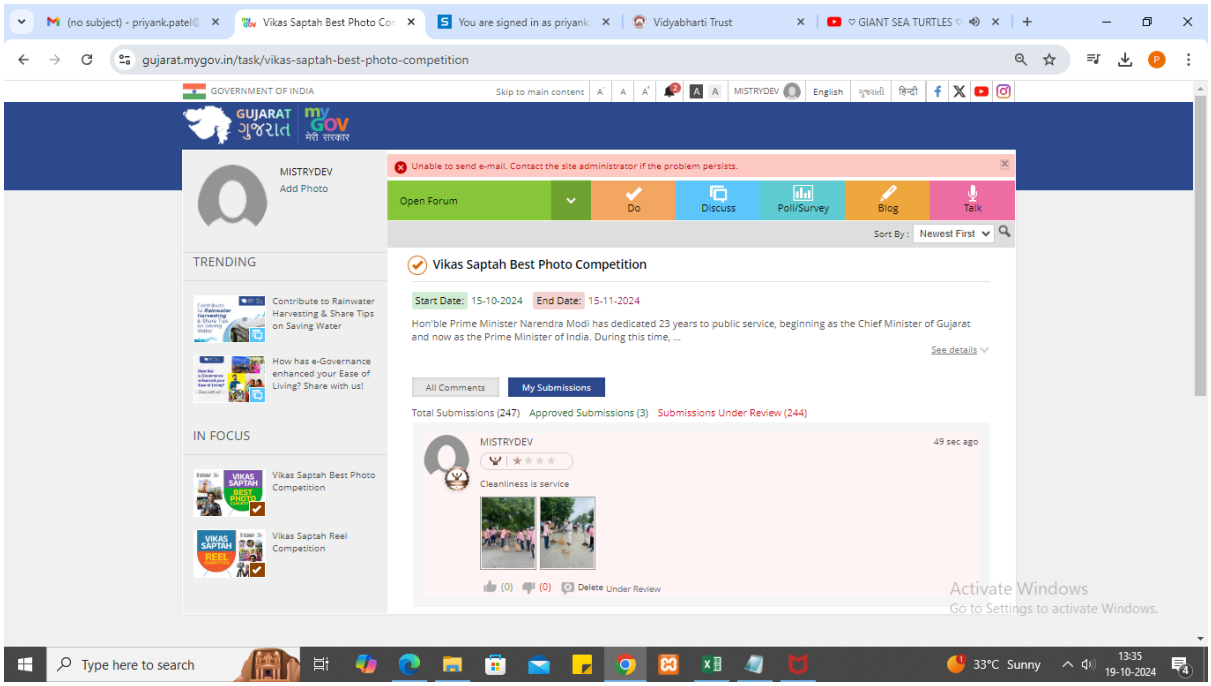

Photo Competition:

The Photo Competition provided an excellent platform for students to capture and present their perspective on various themes related to India's progress. The themes included Infrastructure Transformation, Digital Revolution, Rural Development, Economic Empowerment, Environmental Sustainability, Cultural Heritage and Tourism, Social Inclusion, Women's Empowerment, and Education for All.

The competition saw enthusiastic participation from students, including **Dev Pankajkumar Mistry** and **Tirth Pankajkumar Tailor** from **MSc.IT Semester 3.** Their photos highlighted various aspects of India's journey towards development, from advancements in digital technology to the importance of cultural preservation and the efforts towards empowering women. The participants captured their chosen themes with creativity and insight, bringing to light the transformative changes occurring in India.

Reel Making Competition:

Reel Making Competition offered students an opportunity to narrate stories through short videos. The themes for this competition included Journey of Progress, Empowering the Nation, Digital Revolution, Self-Reliant India, Sustainable Development, Unity in Diversity, and Future Vision. **Het Kalubhai Hirpara** from **MSc.IT Semester 1** participated in this competition, creating a reel that emphasized the spirit of a Self-Reliant India, showcasing the progress and future aspirations of the country. Het's reel was appreciated for its engaging storytelling and its ability to convey the essence of India's ongoing progress in a creative and impactful manner. The participants in the competition used their video-making skills to create compelling reels that aligned with the themes, capturing the essence of India's growth and its path forward.

Conclusion:

The competitions held on 19th October 2024 as part of Vikas Saptah celebrations were a resounding success. The Photo and Reel Making competitions allowed students to creatively express their thoughts on India's development journey and honor the contributions of Hon'ble PM Shri Narendra Modi in his 23 years of public service. The participation of students like Dev Pankajkumar Mistry, Tirth Pankajkumar Tailor, and Het Kalubhai Hirpara highlighted the talent and enthusiasm present among the students of Vidyabharti Trust College, making the event memorable and inspiring.
