

VIDYABHARTI TRUST COLLEGE OF MCA-MBA

INDUSTRIAL VISIT AT BIC CELLO-BHILAD AND DAMAN

POLYFAB-DAMAN

- Vidyabharti Trust college of Master in computer Application-MBA had arranged the industrial visit for first and second year students of MBA At Bic cello pvt ltd-Bhilad and Daman Polyfab-Daman.
- 100 students and 04 faculty members of MBA Program had visited both the industries. The industrial visit was arranged on 28-03-2022. Bic cello pvt ltd is leading company in stationary product in India.
- The company persons had arranged the induction program for students than they had arranged the visit of manufacturing as well as packaging unit of Plant. This helped the study to learn the corporate environment and they came to know regarding the production activities.
- Daman Polyfab is leading company in manufacturing polyethene bags for fertilizers. They manager of company had arranged the visit for students, where students were able to learn regarding the manufacturing process of fertilizers bag.
- Industrial visit helps the student to grab the practical knowledge of the theory they learn in their curriculum. Thus we wish that industrial visit should be arranged for the students so that they can have a practical knowledge and implementation of the theoretical knowledge they gain their curriculum.
