INDUSTRIAL VISIT AT JAINAM BROKING LIMITED, SURAT

Vidyabharti Trust college of Master in computer Application-MBA had arranged the industrial visit for second year MBA Students of finance specialization. 33 students, 03 faculties of MBA-Finance with The Director sir had visited Jainam broking Limited-Surat. A Jainam Broking Ltd is leading stock broking firm in south Gujarat region, and also have counts of units available all over the India. They offer portfolio management services, stock broking services, derivatives and mutual fund services. The students were able to learn regarding the working of stock exchange, Future and options, commodity market and mutual fund unit. The students were able to see the execution of buying and selling of the stocks and working execution of the securities exchange. Industrial visit helps the student to grab the practical knowledge of the theory they learn in their curriculum. Even students also got the opportunity to interact with the Co-founder as well as the Managing Director of the firm Mr. Milan Parekh. We are so thankful to him and his team to boosting the moral of the students in the field of finance. So, we wish that this kind of industrial visits should be arranged for the students so that they can have a practical knowledge and implementation of the theoretical knowledge they gain their curriculum.
