VIDYABHARTI TRUST COLLEGE OF MCA-MBA

- The speaker had started the session by giving introduction of himself to the students. The speakers guide the students that how the students can remove the bridge between industry and academics.
- The speaker of the events guided to the students that how they need to be prepared for the corporate world. He guided that how the students can take the next step in the corporate world.
- The session was purely based on the case studies, the speaker tried to create the certain situations for the students and students tried to solve the case with brainstorming activities.
- The speaker had also given the real examples which helps students for better understanding of the corporate world.
- The expert lecture was very impactful for the students as the knowledge was shared about how you can take the next step after completing the master studies and how the individual needs to be prepared before entering into the corporate world.
- The expert lecture was more impactful as it was an interactive session. At the end of the expert the question of the students was solved and discussed by the speaker. We wish that this type of interactive session should be continued to be organized which will help to enhance the skills of the students and will guide the students to make the better career.
