A Report on Tree Plantation

Vidyabharti Trust College of Master in Computer Application (MCA, MBA & IMSc.IT), Umrakh, Bardoli, organized a Tree Plantation Program on 17th September 2024. This event was organized as a part of the NSS (National Service Scheme) initiative, with a focus on environmental conservation and raising awareness about the importance of tree plantation. The event aimed to encourage students to take an active role in making their environment greener and to instil a sense of responsibility towards nature.

The program commenced at 11:00 AM within the college premises. Approximately 75 NSS students from MCA, MBA and IMSc.IT, along with faculty members, participated in the event with great enthusiasm. The college management and staff provided valuable support to ensure the smooth execution of the program. Before the plantation activity, the faculty addressed the students, emphasizing the importance of trees in combating climate change, enhancing biodiversity, and contributing to the overall well-being of the planet. The students were reminded that such small steps could significantly impact the environment and serve as a reminder of their responsibility towards nature.

students and faculty members gathered at designated areas within the campus where the plantation was to take place. The participants planted a variety of saplings, including native trees that are well-suited to the local environment. Faculty members guided the students on the correct methods of planting and caring for the saplings to ensure their growth and survival. The students were eager to contribute, and the plantation drive saw a positive and energetic response from all participants. The activity also provided a hands-on learning experience for students about the importance of tree plantation and environmental preservation.

Conclusion: The Tree Plantation Program was a great success, with active participation from both students and faculty members. The event served its purpose of promoting environmental awareness among students and underscored the role of youth in creating a sustainable and green future. Vidyabharti Trust College is committed to continuing such activities in the future to encourage a sense of social responsibility and environmental stewardship among its students. The event concluded with a group photograph of the participants, capturing the spirit of unity and commitment towards a greener tomorrow. It was a day filled with learning, contribution, and a shared vision for a better environment.
