Workshop on *Enhancing Finance Skills*

The MBA Department at Vidyabharti Trust College of Master in Computer Application (VBTMCA) organized an enriching workshop titled *"Enhancing Finance Skills"* on 28th February 2025. The primary focus of the workshop was to provide students with practical exposure to *Technical Analysis* and its implementation in the financial markets.

The workshop was led by two distinguished industry experts, Mr. Vikas Vishwakarma from Advance technical analysis trainers from SEBI and Mr. Vikas Chandegra from Empirical Academy, Surat who brought with them extensive knowledge and practical experience in the field of finance. Through interactive sessions and live demonstrations, the students gained a comprehensive understanding of technical analysis concepts, including chart patterns, indicators, and trading strategies. The hands-on approach of the workshop enabled participants to apply theoretical knowledge to real-world scenarios.

The event proved to be an exceptional learning experience for finance students, offering valuable insights into market trends and investment decision-making. The trainers also shared their experiences and provided career guidance, shedding light on opportunities in the finance domain. Their practical insights equipped students with the necessary tools to navigate the financial world with confidence.

The MBA Department extends its heartfelt gratitude to Mr. Vikas Vishwakarma and Mr. Vikas Chandegra for their time and dedication. Special thanks are also extended to the attendees for their enthusiastic participation, contributing to the overall success of the workshop. VBTMCA remains committed to providing students with industry-relevant knowledge and fostering a dynamic learning environment through such initiatives.
